PROFESSIONAL EXPERIENCE

Legal Solutions | Legal Specialist / Associate | Saudi Arabia | May 2026 - Present

- Support corporate, investment and commercial clients on legal due diligence, transaction structures, governance, financing and investment documentation, commercial contracts, regulatory analysis and disputes.
- Review and draft transaction and corporate documents including financing arrangements, investment/fund documents, JV and franchise amendments, NDAs, MOUs, service agreements, powers of attorney and corporate approvals.
- Support major construction and EPC matters involving contractual effectiveness, owner approvals, delay, access constraints, EOT/prolongation, notices, entitlement analysis, settlement strategy and arbitration preparation.
- Prepare legal memoranda, pleadings and evidence analyses in commercial and regulatory disputes, including high-value financial claims and technical customs classification matters.

Al-Shahrani Law Firm | Trainee Lawyer | Riyadh, Saudi Arabia | Mar 2022 - Nov 2023

- Supported commercial, criminal, labor and personal-status matters through Saudi legal research, pleadings, case preparation, court-related work and client follow-up.

SELECTED REPRESENTATIVE MATTERS

SAR 300M Financing / SBLC

Reviewed legal mechanics and cross-border transaction documentation for a SAR 300 million financing / standby letter of credit structure.

Major CCGT / EPC

Reviewed project contracts and correspondence involving international EPC parties, delay, access constraints, EOT, prolongation and owner-approval issues.

Customs / Technical Evidence

Worked on a technical customs-classification dispute involving exposure exceeding SAR 5 million and manufacturer/product evidence.

Private Equity / DD

Supported legal due diligence for a proposed acquisition of a Saudi operating company, including corporate, contractual, governance and regulatory review.

SAR 40M+ Commercial Claims

Drafted and supported legal submissions in commercial financial claims with aggregate values exceeding SAR 40 million.

Investment Funds / Sukuk

Supported fund, custody, security, financing and sukuk-related documentation in regulated investment matters.
